

Dear friend,

www.fkmce1982.com

We do hope this finds you in the best of health and spirits.

We wish to bring to your mind the nostalgic reflections of the four splendid years we spent together at TKMCE. With the turn of wheels, we are now in different parts of the world, busy with our official and domestic affairs and we seldom have a chance to meet to bring back those happy pages of life that we wrote together at TKMCE. Well, should we not make an effort to come together with our families and recapture those golden memories once in a while? You may now be aware that we are organizing something on those lines, in August this year, when we count our twenty five years of parting our Silver Jubilee.

A two-day event on 4th and 5th of Aug 2007 is planned and preparations are underway. On 4th, we will meet at the enchanting and picturesque sea-cum-river side Island resorts situated on the banks of river Poovar, near Trivandrum, to commence with our Silver Jubilee celebrities. Here, we shall have the great opportunity to unleash our nostalgic moments of our time past, have plenty of fun, cultural shows by our families and entertainments to our style and standards. On this fun-filled day, we, the 'old' students meet with difficulty, to identify each other with our changing physical state, but get over these difficulties by our rapport of yesteryears. Accommodation, travel and food to the appropriate standards befitting our caliber are being arranged. On the second day, we proceed to our alma mater, the TKMCE, where we shall be joined by our staff, old and new, to share a memorable time. Special tours to tourist spots in and around Trivandrum will be arranged for those of us who wish to spend more time together on previous days or after the event.

So, a bundle of joy is awaiting you. Prepare yourself where ever you are to have a nice time with your own friends, joined by our families.

All said and done, we have to raise the 'dough' for making these festivities a success. The various arrangements including accommodation, food, travel, etc. keeping up the standards demands upper budget-line. To be rational, the total expenditure covering all heads has been limited to Rs. 5000 per family. But, we have high achievers among us, as our own friends, who can bestow more colors to our great event, with contributions, to make it as an ever memorable one.

The major task now before us is to relocate all our friends, spread across geographical boundaries, without missing any one. As part of our effort, we are planning a web re-union initially, for which we shall be launching a website [www.tkmce1982.com](http://www.tkmce1982.com) shortly. Get a tour to our site, once it is launched, for full details and updates on our great re-union celebrations. Please do send your suggestions and articles for our website, depicting your interesting or humorous incidents in the college which will re-live the treasure of our old memories.

So, dear friends, now it's the time for you to act. Get in touch with any one of the Organizing Committee members on email ID or telephone number and ensure that you are also part of the event, not to be missed.

We look forward to your sharp response and extend all the warmth and love of our friendship.
